7th Cologne-Twente Workshop on Graphs and Combinatorial Optimization

May 13-15, 2008, Gargnano (Italy)

Call for papers

The Cologne-Twente Workshop on Graphs and Combinatorial Optimization 2008 welcomes contributions on theory and applications of discrete algorithms, graphs and combinatorial structures in the wide sense.

Registration fee

EUR 100 if the payment is received within March 28, 2008. EUR 125 afterwards. The registration fee includes entry to all technical sessions, coffee-breaks, the social dinner and one copy of the workshop program and abstracts.

Abstract Submission

To submit a contribution, please prepare an extended abstract of 3-4 pages and send it to the organizers of the workshop not later than February 15, 2008, using the templates available on the website. The scientific committee will select the presentations for the workshop on the basis of the extended abstracts received.

Proceedings volume

A special issue of the journal "Networks" is planned containing full papers submitted by the participants.
